

Nisivoccia LLP

Exceeding Clients' Expectations for Over 50 Years

When Ray Nisivoccia founded the firm in 1970, he remembered the lessons learned from his parents: “Treat others the way you want to be treated.” “Never take anything without giving back.” “Work hard.”

Fifty years later, we’ve used that wisdom to grow into a full-service firm providing accounting, tax, assurance and advisory services to for-profit, not-for-profit and governmental entity clients, both domestically and internationally. With 15 partners and 90 employees, we have the resources to serve organizations of all sizes, shapes and industries.

We owe a large part of our success to our clients and the relationships we’ve developed with them. This is because we don’t treat “client service” as a cliched goal that’s part of a vague marketing campaign. It’s *The Nisivoccia Way*.

In today’s world, it’s so easy to send an e-mail. But we still believe in the personal touch. We pick up the phone and work side-by-side to help you make sound financial decisions and achieve your goals.

As we evolved through the years, we never lost sight of our core values. Today, our foundation is strong and as we look to the next 50 years, our values remain constant.

- **Family Values:** We Are Family. Whether employees or clients, our relationships are personal, and we treat you like family.
- **Unparalleled Support:** Extraordinary client service is not just something we say we do. It’s something that our clients agree we do better than anyone else.
- **Personable and Professional People:** Client service starts with having the right people on the team who embody our culture. With every encounter, we genuinely care.
- **Proactive Stewardship:** We anticipate changes, challenges and opportunities our client may face. And take action. Today.
- **Community Matters:** Since the beginning, giving back to the communities we are a part of is fundamental to who we are.

The Nisivoccia Way – it’s what makes us unique and binds us together as individuals and a firm. ■

Giving back has always been central to our culture. Our people, our clients and our community are the reason we are celebrating 50 years in business. Thank you to everyone who has been part of our story. We look forward to serving you for the next 50.
