Fox Rothschild's New Jersey Offices

Fox Rothschild LLP is among the largest law firms in the Garden State, with more than 150 attorneys in four New Jersey offices – Atlantic City, Morristown, Princeton and Roseland. Among the state's top 10 firms, Fox has by far the largest national footprint, with 750 attorneys in 22 offices coast to coast.

Attorneys in Fox's Labor and Employment Department represent employers in union and non-union contexts. We provide creative, practical, cost-effective advice and solutions to employment issues, working closely with human resource professionals and in-house counsel to navigate the increasingly complex patchwork of workplace-related rules and regulations.

Clients turn to Fox because our attorneys understand the needs of New Jersey businesses and have strong connections in the financial sector and throughout the state's most important industries. We enjoy the respect of judges in the state and federal courts and were recently honored as New Jersey's "Litigation Department of the Year" by the New Jersey Law Journal. And our lawyers are well known in corporate boardrooms throughout the state.

ATLANTIC CITY: The southern hub of our New Jersey network, Fox's Atlantic City office is located in the heart of the East Coast's gaming industry and is home to a respected group of attorneys practicing in gaming, litigation, labor & employment, bankruptcy, real estate and tax law.

MORRISTOWN: Boasting the razor-sharp focus of a boutique firm, the Morristown office is home to a powerhouse team of real estate attorneys well-versed in the regional market and experienced in assisting developers and companies in growing their real estate portfolios.

PRINCETON: The Princeton office has grown to nearly 80 lawyers and is now one of the firm's largest, with a deep bench of skilled litigators, seasoned corporate attorneys and nationally recognized patent lawyers as well as strong teams of labor and employment, real estate and tax attorneys.

ROSELAND: The 40 attorneys in Fox's Roseland office provide a full range of corporate and litigation services, with a strong emphasis on labor and employment matters as well as family law, securities, employee benefits, tax and wealth planning.
