Celebrating 40 Years of Service

Hoagland, Longo, Moran, Dunst and Doukas is celebrating its 40th anniversary this year. Such a milestone can be attributed to their team of high caliber attorneys and culture of cultivating professional excellence. Since their founding in 1977 as a small firm in New Brunswick, they have grown into their solid reputation and present status as a regional firm representing clients nationwide. Through their success, the firm has always maintained a small firm focus on client contact and environment of collegiality which goes hand in hand with their dedication to delivering positive outcomes for clients. The firm is made up of over 80 attorneys who emphasize hard work, dedication, and a sense of civility and compassion for clients and colleagues – and never lost sight of this mission.

For the past four decades, clients have leveraged Hoagland Longo’s authority, efficiency, and practical understanding to help them navigate the often complex terrain of legal matters. The firm is approved counsel for many major insurance carriers and focuses on complex civil litigation which includes: Construction Litigation, Professional Liability, Product Liability, Environmental & Toxic Tort, Trucking & Transportation, Automobile Liability, Civil Rights, Title 59, Employment Law, and Complex Personal Injury. They also provide legal representation in the areas of Health Care, Criminal Law, Commercial Litigation, Land Use & Development, Municipal Law, Real Estate, Transactional/Business, Transportation, Wills, Trust & Estates, Family Law and Workers’ Compensation.

In 1989, the firm purchased the present headquarters at 40 Paterson Street from Rutgers University. In recent years, the firm has added additional offices throughout the tri-state area and is currently located in Wall, NJ, Hammonton, NJ, New York City, and Malvern, PA. The firm is managed by Gary J. Hoagland, son of one of the founding partners, the late John J. Hoagland. The firm has garnered the respect of peers and clients in its lifetime through successful legal representation and exceptional professionalism, combined with innovative case management technology and a profound understanding of law. After 40 years, the firm’s future is strong and promising, and there is much to look forward to at Hoagland, Longo, Moran, Dunst & Doukas. ■

“I am extremely proud of the foundation my father and his original partners set when they started this firm in 1977. Our continued growth and success is a credit to our dynamic attorneys who are dedicated to the vision and commitment to our clients that began with our founding partners. We are looking forward to the next 40 years.” – Gary Hoagland, Managing Partner
