## Faithful to the Community for Over 30 Years!

**A**s a unique kind of commercial bank – one that gives back to the community as part of its core values and mission, Atlantic Stewardship Bank (ASB) is truly an extraordinary financial institution. ASB tithes, or shares, 10 percent of its taxable income annually with nonprofit, educational, charitable and/or evangelical religious organizations. ASB takes this responsibility with the utmost sincerity, and works diligently to provide a solid return to customers while safeguarding their funds. As a result, the Bank has been able to give back over \$9.3 million since its inception.

Living up to its promise of being “Faithful to our customers,” Paul Van Ostenbridge, President and CEO of ASB, states, “We have decided that the best way to let people know that they can rely on us is to always be personally faithful to their needs.”

ASB also offers a great line of lending solutions designed to assist both business and personal customers in New Jersey and the surrounding markets. ASB’s lenders understand that one size does not fit all, and they are committed to delivering on every promise. Information about consumer products such as mortgages, home equity and auto loans is readily available, as is

information about business products such as commercial loans and ASB’s new Small Business Administration (SBA) Program – a value-added lending solution for small businesses that do not meet traditional lending requirements. Perhaps the most important differentiator ASB offers is localized decision-making – which can really speed up the lending process!

Additionally, customers are provided with many ways in which to access their ASB accounts including: online and mobile banking, ATMs and the ASB App. Most recently, the Bank added some of the newest technological features, including the Apple Watch App and Apple Pay. ASB maintains its headquarters at 630 Godwin Avenue, Midland Park, NJ 07432. The Bank’s 12 branches are in Bergen, Morris and Passaic counties in New Jersey.
