Connell Foley Begins Exciting New Chapter

Connell Foley LLP, a full-service law firm with seven offices and 130 attorneys throughout the Mid-Atlantic region, prides itself on its commitment to clients and community alike. This focus has contributed to the firm's success for nearly 80 years and has been an integral factor in the firm's continued growth.

In 2017, Connell Foley relocated its headquarters in Roseland to a new office just up the street from the building it called home for the past 30 years. The firm has leased 75,000 square feet at "56 at Roseland," a technologically advanced building set in park-like surroundings and offering clients and employees a wide range of amenities.

"Thirty years at 85 Livingston served us well, but it was time to make a change in location as well as approach," said Managing Partner Philip F. McGovern Jr. "Today's technology and client needs require us to be even more nimble, responsive and collaborative. In continuing to build our platform for the future, it is a positive and exciting step for us to know we will be servicing our present and future clients at a state-of-the-art office campus."

Conceived with a contemporary flair, the firm's new location features a versatile conference center, modern offices and collaborative work spaces, including a central work café. Located on the I-280 corridor, the office is easily accessible from all regions of the New York metropolitan area.

Connell Foley, which offers a full complement of legal services to business and entrepreneurs, is particularly well recognized in the areas of litigation, real estate, corporate, environmental, trusts and estates, insurance and alternative dispute resolution. In 2017, the firm's Insurance practice was named "Litigation Department of the Year" by the *New Jersey Law Journal*, and the firm as a whole earned awards for leadership and dedication to community service.

Connell Foley has grown steadily over the years and, just this fall, augmented its ranks through the addition of nine associates. The firm is truly excited to embark on the next chapter in its history while it continues to make a positive impact on its clients as well as the legal industry.
