Powering Businesses with Great Energy Rates

Small businesses power New Jersey's economy and provide customer service that's second to none. You deserve the same level of service and reliability from your energy supplier, and Direct Energy Business is here to provide it. We're proud to partner with NJBIA to offer member-only rates on electricity and natural gas, so that you can use energy efficiently, lower your costs, and focus on growing your business.

We know that small business owners take on many responsibilities and must use time and resources wisely. Direct Energy Business makes it simple for you to select a competitive energy plan and monitor your usage.

"NJBIA's partnership with Direct Energy Business positions our members for success and profitability," says Wayne Staub, NJBIA Chief Business Relations Officer. "Direct Energy Business has a proven track record of understanding the unique needs of all business types and helping them make smart energy choices."

Direct Energy Business serves approximately 240,000 businesses of all sizes and from all industries across North

America, including more than 28,000 in New Jersey. Our dedicated small business team will help you identify and achieve your energy goals.

As an NJBIA member, you have access to our lowest online rates on fixed-rate electricity and natural gas plans that offer cost certainty. You can participate in our ChooseAgain program, which allows you to select the best available energy rates offered by Direct Energy Business at any time during the term of your contract, without fees or penalties. You can review our current electricity and natural gas plan prices online, 24/7. If you find a more appealing option, you can choose a new plan in just a few minutes.

It's easy to manage your plan online through our MyAccount portal, which allows you to track energy usage over time. Our sales professionals and in-house customer relations team are always here to offer you personalized support.

As an energy leader, Direct Energy Business brings you everyday innovations that improve your bottom line. Learn more now by visiting www.directenergybusiness.com/NJBIA. **PS**
